

Gloria Manchester is president of Leadership Education Action Programs (*LEAP*) and CARTE, Inc., a 501C3 nonprofit organization. She is co-author of the Amazon bestseller, *The Wisdom in RE ... Rethinking Your Life*, and one of a few women featured in two books, *Fearless Women*, *Fearless Wisdom* and *Successful Story Transformations*.

Gloria co-designed and co-facilitates Partner in Excellence (PIE) personal development and leadership seminars for women and the STARR Project Teen-Esteem and Leadership Experience for teenage girls. As a certified trainer for Hartman Color Code Personality Science, she also facilitates dynamic, experiential communication workshops on how to use the *color code* to understand and develop yourself and improve your communication with others.

Gloria is certified in the following programs:

- Life Coaching—Coach Training Alliance (CTA)
- Weight and Nutrition Coaching – Dr. Jonny Bowden
- Emotional Intelligence – University of Denver
- Dr. Krueger’s *The Art and Science of Change, Reinvention, and Success*®
- Dr. Krueger’s *Live a New Life Story*®
- Dr. Krueger’s *New Money Story Mentor Training*®
- Hartman Color Code Interpersonal Skills Trainer
- Treasurer of International Coaching Federation (ICF Sacramento)

She is currently writing a book called *Rae of Sunshine*, a guide for mothers and daughters to build self-esteem in girls, ages 5 through 9. Gloria has two grown children who are married, and enjoying success in their own careers, and four extraordinary grandchildren.

Rosalie D. Gibbons has bachelor degrees in psychology and sociology and a master's degree in counseling psychology. She has been a licensed marriage, family therapist in the state of California for 30 years with an expertise in developmental psychology, child abuse, and experiential learning. She is a Development Dimensions International (DDI) Learning Systems certified facilitator and a Color Code Science of Personality certified interpersonal skills trainer.

Ms. Gibbons is co-author of the Amazon Bestseller, *The Wisdom in RE ... Rethinking Your Life* and has been a dedicated volunteer with the nonprofit organization, CARTE, serving as a member of the board and its program director for many years. She is also a consultant and facilitator for Leadership Education Action Programs (LEAP). In these capacities, she has designed and facilitated personal and professional leadership workshops and self-esteem courses for adults and teens.

For over 16 years, she has worked for Orange County's Social Services Agency. In her current position she is a supervisor/trainer and facilitator in Training and Career Development. She resides in Orange County California and the proud mother of one son.
